- The cost of a motor is based on MSRP, from the manufacturer's catalogue from the current year.
- Motors which are not currently for sale will be priced at the most similar current year motor's price.
- Your contest slip must include the full motor designation (such as G75-14M) in order to be valid.
- The cost of a motor casing is not included in the cost of a motor, only the reload.
- No balloons allowed.
